

Village Art in the Park

Enriched Education Fund

2021 Application

The Enriched Education Fund is sponsored by Leavenworth Village Art in the Park.
Up to \$2000 per Application is available.

This grant is to be used for expendable art supplies for projects ranging from drawing, sculpture, cultural concepts and additional lessons that will enhance student creativity while meeting the State Requirements for Visual Art curricula. Materials could include paint, scratchboards, paper, clay and other items that need to be replenished as well as wages for art teachers that are not part of the school staff. The recipient of this application agrees to attend a VAIP board meeting and report on the progress of their program.
